Closeboard Fencing

Closeboard Fencing combines strength, versatility and appearance to help create the perfect garden border. Closeboard fencing is constructed on site and can be erected in various heights and bay lengths with additional options such as capping / trellis. It's available in a brown or green treated finished.

We have on site morticing facilities to create exactly what is required for your garden fence. For free no obligation quotes please call or email us and one of the sales team will be happy to assist, whether it is supply only or if you require installation * as well.

* For domestic installations, we can provide the details of trusted local installer in your area. Please see pages 55-56.

Bay Price Guideline

Prices below for guideline purposes only. Prices all in Green pressure treated timber (Brown available at an additional cost). Bay consists of 1 x Flat Top Morticed Post, 1 x Gravel Board, 1 x Gravel Stump, 2 x Timber Cleats and the relevant arris rails (ended) and feather edge.

Closeboard Fencing Explained

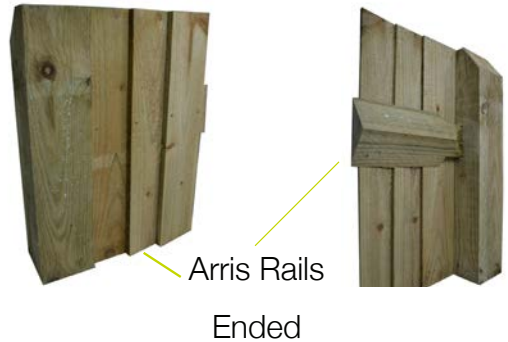

Closeboard with Capping

Our most popular finish for closeboard fencing. The capping rail sits on top of a support rail (counter rail) to make the fence more aesthetically pleasing. Post is finished with a standard round top.

Closeboard (No Capping)

Standard morticed Closeboard without capping. Post is finished with a half back weather.

Closeboard using Brackets

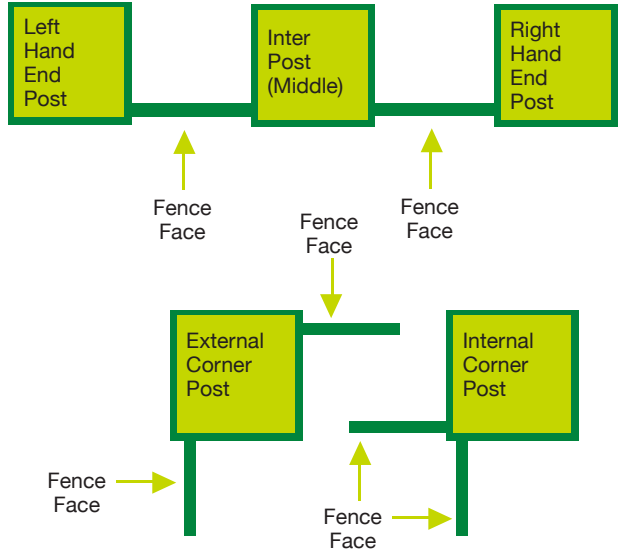

Instead of morticed posts, you can use arris rail brackets for a quick repair/install. Available in Galv or Brown Finish.

Panels

Here at Littlewood we stock a range of different fence panels to help complete a garden project. Choose from Closeboard, Larch Lap, Palisade, Trellis or Decorative panels.

Many sizes are kept in stock, however we also have the facilities to manufacture a range of custom sizes. Please speak to a member of the sales staff to enquire about size and availability.

Larch Lap Panels

Larch Lap Panels are a standard garden fence panel.

At Littlewood fencing, we hand make all our Larch Lap Panels using pressure treated Waney Edge Slats, 38 x 16 mm Battens and finished with capping.

Our panels are also made with battens on both sides for added strength and durability.

Size	Green	Brown
6ft x 3ft	£18.56	£19.39
6ft x 4ft	£21.74	£23.00
6ft x 5ft	£25.08	£26.50
6ft x 6ft	£28.91	£31.02

Special sizes are available to order

Closeboard Panels

Closeboard panels are a quick and easy way to get the appearance of traditional Closeboard Fencing.

These panels are a stronger alternative to Larch Lap panels.

Constructed with 75 x 32 mm Horizontal Rails, 32 x 38 mm Vertical Battens, then clad with 4" Feather Edge boarding and finished with a thicker top cap.

Special sizes are available to order

Size	Green	Brown
6ft x 3ft	£27.98	£30.25
6ft x 4ft	£35.41	£38.34
6ft x 5ft	£43.45	£46.43
6ft x 6ft	£48.50	£51.48

Palisade Panels

Palisade fencing panels (also known as Picket Fencing) allows you to mark out your garden boundary without obstructing views. Furthermore the gaps allow wind to pass through, which reduces the wind resistance of the panel.

At Littlewood Fencing, these panels are constructed to order, with a choice of flat top, pointed top or round top palisades.

Size / Type	Green	Brown
6ft x 3ft	£27.45	£28.55
6ft x 4ft	£31.85	£32.95

All Panels are made to order. Special sizes on request

Trellis

Trellis panels can be used for various applications, marking out a garden boundary, helping to create a wall display, providing a frame for climbing plants or even dividing a garden into sections.

We construct our own trellis panels using a quality treated timber batten (38 x 19mm) to create robust trellis panels to withstand the elements. Available to be manufactured in different shapes, styles and sizes to create your perfect trellis design.

Decorative Panels

Decorative Panels are stylish and elegant panels that bring any garden to life. They also look great around surrounding decked areas.

San Remo Omega Panel with Trellis

Horizontal slatted panel for the lower part, diamond swish top trellis at the top.

1.83m x 1.6/1.8m - £70.00

1.83m x 0.99/1.2m - £61.99

San Remo Bowtop Gate with Trellis

0.90m x 1.59/1.80m - £65.99

Fino

Our Fino continental panels feature a unique design with horizontal, hit and miss boards providing privacy and style. Manufactured from high quality treated timber, the Fino panel can give your garden a breath of fresh air.

1.8m x 1.8m - £89.90

Decorative Trellis Panel

Decorative trellis panels are great for screening areas of your garden or being used as a decorative backdrop for climbing plants. Various trellis spacings and styles available.

Cordoba Panel

With striking, vertical pointed pales, our new Cordoba Panel is totally unique and allows light and wind to go through the panel, while still securing your boundaries. Manufactured from high quality, pressure treated timber, the Cordoba Panel will make your garden stand out.

1.8m x 1.8m - £83.75

1.8m x 0.9m - £45.55

Structura

These panels are manufactured from ribbed softwood boards, and are ideal to be used for sectioning your garden or a perimeter fence. The structure of the panel allows wind to pass through, reducing the strain on the posts.

1.8m x 1.8m - £49.10

Many more styles of decorative fence panels available.

Garden Furniture

Garden Furniture can be the finishing touch you need to bring character and functionality to your open space. This creates opportunities for relaxation and socialisation within your home environment or public space.

At Littlewood Fencing, we can offer top quality garden products at competitive prices. Whether you're looking for benches or picnic tables, arches or arbours, there is something for everyone to make your garden stand out from the rest.

Ashton BBQ Shelter

The BBQ Shelter is the ideal addition to any garden when thinking of entertaining family and friends. With its panelled sides, open entrance and apex roof, it offers great protection for the chef and BBQ come rain or shine.

This product is the perfect garden feature offering shade or shelter whether you're hosting a party or simply relaxing outdoors.

Lily Relax Double Seat

The beautiful Lily Relax Double Seat is stylish and is ideal if you want comfortable and practical seating in any outdoor living space.

Having a fixed table between the seats, it is great for serving refreshments outside.

Alex Octagon Picnic Table

The classic picnic table has taken an unconventional approach in the Alex with its octagonal shaped table top. Perfect for entertaining a bigger party, the Alex Octagon Picnic Table can comfortably sit 8 people, and the octagonal shape allows for extra leg room while still offering an intimate dining experience.

Cambridge Planter

Made out of high quality pressure treated soft wood timber, the Cambridge Planter is design to be a distinctive feature for any garden. The unique design incorporates a diamond trellis back panel ideal for climbing plants and a steady base for planting.

Security Fencing

A solution for property protection for everyday life. Security fencing is now the choice for applications requiring a secure premise for their home or business, where prevention against intruder access is a must.

There is no job too big or too small for security fencing, whether it is a boundary fence for a garden or a large scale industrial site. Here at Littlewood Fencing, we have the products, knowledge and expertise to make sure your premises are kept safe and secure.

Steel Palisade

Steel palisade fencing is predominately used around commercial premises requiring a higher level of security and vandal resistance. Steel palisade is popular for schools and industrial sites because of its high damage resistance and the fact it is difficult to climb. It is straight forward to install and very effective, with a choice of finishes available it makes this system suitable for a wide range of situations.

The palisade is available in two profiles 'W' profile and 'D' profile with a choice of heads; Round Nosed & Notched or triple pointed. The fencing is hot dip galvanised to prevent corrosion and in addition, can be powder coated (various colours available on request).

Security Fencing

Mesh Panel Fencing

Welded mesh panels are ideal for a wide variety of uses both residential and commercial. Generally installed as perimeter fencing around sports pitches, schools, construction sites, depots and other commercial or public sites.

The panels are strong, flexible, durable and are made up of closely spaced steel wires that make it difficult to grip or climb but allows very good visibility which helps it to merge well with the surrounding environment.

We can supply a range of sizes, thicknesses and styles to suit your individual needs and requirements.

Fabrication Workshop

Littlewood Fencing are now able to offer a range of steel fabrication services to our trade & retail customers. Our on site workshop has a wealth of experience having been established for over 10 years.

Past projects include high security site gates, post manufacturing & alterations, pedestrian & vehicle barriers, fencing tool repairs and much more.

Please get in touch for further information.

Hand Tools

Whether you are putting up closeboard, installing a run of wire fencing, building a garden building or simply cutting timber, we have the tools you need. We stock a huge range of quality fencing, carpentry and garden tools.

Littlewood staff know our products well and can help you to find and decide on what tool is right for the job, so pop in today to have a better look.

Power Tools

Power tools are available to order from a wide range of manufacturers with a fast delivery time. Whether you are looking for Makita, Dewalt, Milwaukee, or any other leading manufacture. Servicing on nails guns also available.

Paint and Treatment

Over time the English climate deals out a lot of punishment to timber products such as sheds, fences, decking and planters. This can lead to discolouration and eventually rot if left to the elements. Therefore here at Littlewood we stock specialist paints, oils and treatments that are specifically designed to protect your timber from the weather. We have a large amount of different colours and tints to suit your personal space and garden decor and if you can't find the shade you're looking for we can order a wide range from our suppliers.
